TGR11 - CDEP

EXCLUSIVE *RevDistribution* RELEASE

DEAD WILL RISE

ENTREPRENEUR

Entrepreneur is the follow up to the Athens, OH grind influenced metalcore outfit **DEAD WILL RISE**, after self-releasing their debut EP *Rest Assured The End Is Upon Us* in 2006. The band gained momentum and rave reviews, perking the ears of Twelve Gauge Records.

"**DEAD WILL RISE**. These technical grindcore prodigies have offered us *Rest Assured The End Is Upon Us*, the most promising debut Extended Play since INTO THE MOAT's *Means By Which The End Is Justified*. These boy-wonders use the release's 5 tracks to brandish their compelling capabilities of descending into mammoth breakdowns only to surge back up into dexterous and perforating improv segments. Keep an eye out for these grinders because they're only going to get better."

—Eric @ Decoymusic.com

"*Rest Assured The End Is Upon Us* is the name of **DEAD WILL RISE**'s EP. It's as heavy as a MAC truck. The vocals are insanely guttural, but the music has a markedly metalcore edge."

—Death Metal Dan @ Into-Obscurity.com

A year and a half since their self-released EP, **DEAD WILL RISE** have been hard at work, sharing the stage with such acts as: BLOODLINED CALLIGRAPHY, CURSED, GRAF ORLOCK, JOB FOR A COWBOY, SCARS OF TOMORROW, and SEE YOU NEXT TUESDAY just to name a few! **DEAD WILL RISE** have seven new grindcore tracks that showcase their technical abilities. Their first effort on Twelve Gauge Records is *Entrepreneur*, out January 8, 2008.
